Log Home Worksheet

**DATE:** \_\_\_\_\_

**PROJECT NAME:** \_\_\_\_\_

**PROJECT LOCATION:** Address \_\_\_\_\_

City \_\_\_\_\_

County \_\_\_\_\_

State, Zip \_\_\_\_\_

**House Levels:**

- |  |                |  |                |
|--|----------------|--|----------------|
| <input type="checkbox"/> Basement          | (size: _____ ) | <input type="checkbox"/> Crawl Space     |                |
| <input type="checkbox"/> Main Floor        | (size: _____ ) | <input type="checkbox"/> Attached Garage | (size: _____ ) |
| <input type="checkbox"/> Full Second Floor | (size: _____ ) | <input type="checkbox"/> Detached Garage | (size: _____ ) |
| <input type="checkbox"/> Loft              | (size: _____ ) |  |                |

**Wall Height:**

- |                                     |              |  |              |
|-------------------------------------|--------------|--|--------------|
| <input type="checkbox"/> Basement   | (ht: _____ ) | <input type="checkbox"/> Crawl Space         | (ht: _____ ) |
| <input type="checkbox"/> Main Floor | (ht: _____ ) | <input type="checkbox"/> Second Level / Loft | (ht: _____ ) |

**Decks:**

- |  |                |  |                |
|--|----------------|--|----------------|
| <input type="checkbox"/> Elevated Deck           | (size: _____ ) | <input type="checkbox"/> Covered Deck                    | (size: _____ ) |
| <input type="checkbox"/> Log Columns and Railing |                | <input type="checkbox"/> Dimensional Columns and Railing |                |

**Wall Log Type:**

- |   |                |   |                |
|---|----------------|---|----------------|
| <input type="checkbox"/> Full Scribed Log   | (size: _____ ) | <input type="checkbox"/> Chinked Log    | (size: _____ ) |
| <input type="checkbox"/> Machined Round Log | (size: _____ ) | <input type="checkbox"/> Glulam (D) Log | (size: _____ ) |
| <input type="checkbox"/> Log Hybrid         |                |   |                |

**Floor Framing (Main Floor):**

- |  |                                  |
|--|----------------------------------|
| <input type="checkbox"/> Dimensional Lumber Joists | <input type="checkbox"/> I-Joist |
| <input type="checkbox"/> Post and Beam             |                                  |

**Floor Framing (Loft / 2nd Floor):**

- |  |   |
|--|---|
| <input type="checkbox"/> Wood Decking with Exposed Beams | <input type="checkbox"/> Dimensional Lumber Joists        |
| <input type="checkbox"/> I-Joists                        | <input type="checkbox"/> Exposed Log Beams                |
| <input type="checkbox"/> Exposed Glulam Beams            | <input type="checkbox"/> Exposed Dimensional Lumber Beams |

**Roof Framing:**

- Wood decking with Exposed Beams
- I-Joist Rafters
- Glulam Framing
- Roof Slope (x:12: \_\_\_\_\_ )
- Dimensional Lumber Rafters
- Log Framing
- Dimensional Lumber Framing

**Roofing:**

- Tile Roof
- Metal Roof
- Composition Shingles

**Fireplace:**

- None
- Zero Clearance Insert
- Free Standing
- Masonry

**Miscellaneous:**

- Retaining Wall (Height: \_\_\_\_\_ )
- Covered Entry Porch
- Rock Veneer (Type: \_\_\_\_\_ )
